It's written on the cover's paper flap but, I have an announcement to make to everyone..... That is, Yuzu and Mei are getting mar...mar-mar- have an anime in the works!! Haaaa..... Oh no.... It seems like Yuzu and Mei will be moving and kissing. Oh no! (trembling) This is all thanks to everyone who supported us!. Thank you so much-

Because Yuzu and Mei have met and reached the hands of many people, Yuzu and the others will continue to walk forward as they cry and smile. There's no other happiness. (cry) It's been a long journey but, I would be so happy if you continue to watch over these two as they continue running.
And then also.....
to their happy future.
